

REMARKS

Claims 1-10 remain in the application, Claims 1, 6, and 10 being independent.

By the present amendment claims 6 and 7 have been amended to include language that was present following an amendment of the parent PCT application prior to filing of the United States national phase, but which was inadvertently left out of the claims in the amendment filed on June 18, 2003. In presenting the present amendment applicant's attorney has started from the claim language as found in the amendment filed on June 18, 2003.

Applicants' attorney respectfully submits that the claims as amended are now in condition for allowance and respectfully requests such allowance.

Respectfully submitted,
